

A BOOK OF FRIENDSHIP

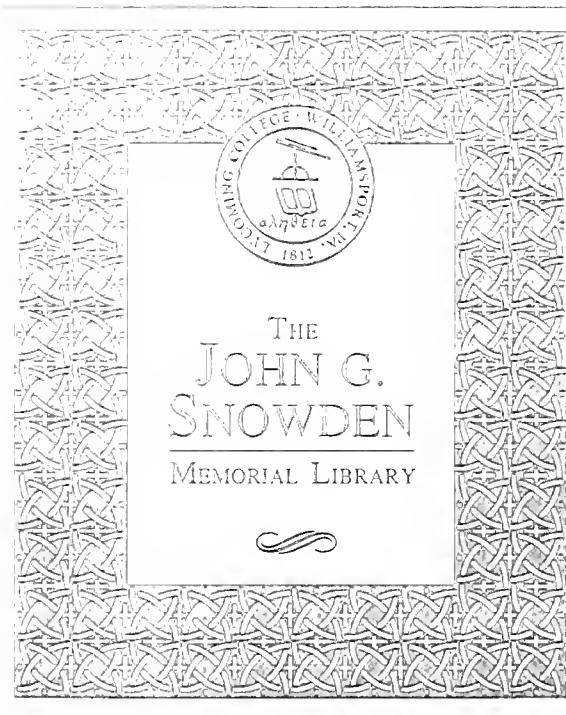

1975 ARROW

LYCOMING COLLEGE

3 8130 10083869 8

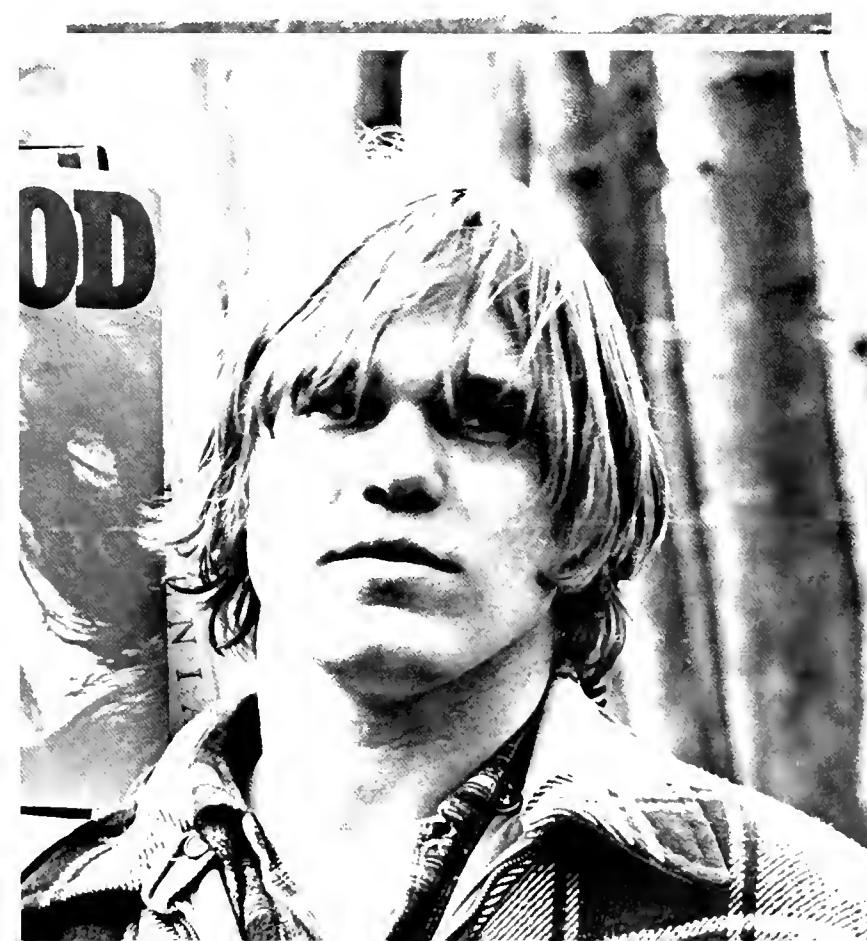

*1975 Arrow
Lycoming College
Williamsport, Pa.*

*Friends come, friends go; the loves
men know are ever fleeting;
In song and smile a little while
we read their kindly greeting;
With warmth and cheer they linger near,
the friends we fondly treasure;
Then on a day they drift away,
a loss no words can measure.
This much we know: friends come, friends go,
as April's gladness passes,
As sun and shade, in swift parade,
paint changes on meadow grasses.
And though we grieve to see them leave,
in thought we still enfold them;
In Memory's Net we keep them yet,
and thus can ever hold them.
They come, they go—these Loves we know.
Life's Tides are ever moving;
But year on year, they still seem near—
so great the power of loving.*

1975 Arrow

The 1975 Arrow is dedicated to you, Dean Thomas Devlin, for showing genuine concern for the future of this graduating class. Not only have you contributed a great deal to the seniors, but you have also proved beneficial in preparing the underclassmen in their future endeavors. We hope your continuing interest in students rewards you throughout life.

Dedication

The things which our friends do with and for us, form a portion of our lives; for they strengthen and advance our personalities.

J.W. von Goethe

*There are friends who pretend to be
friends*

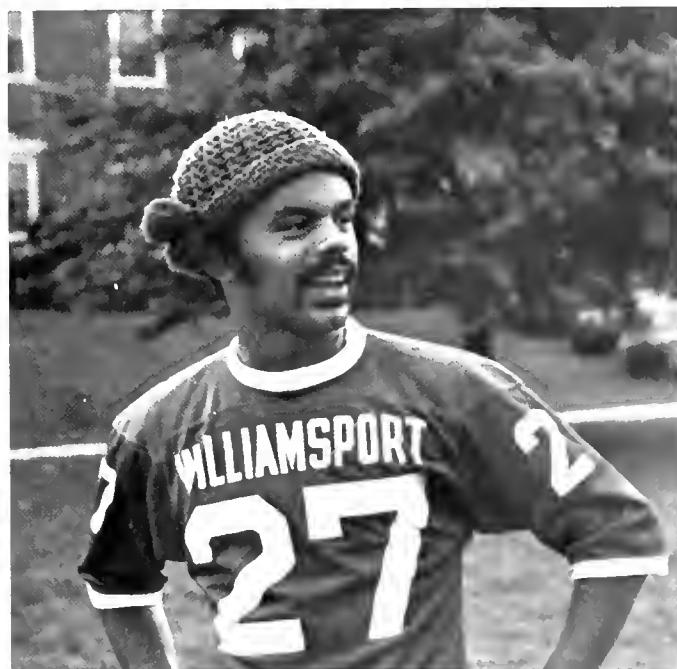

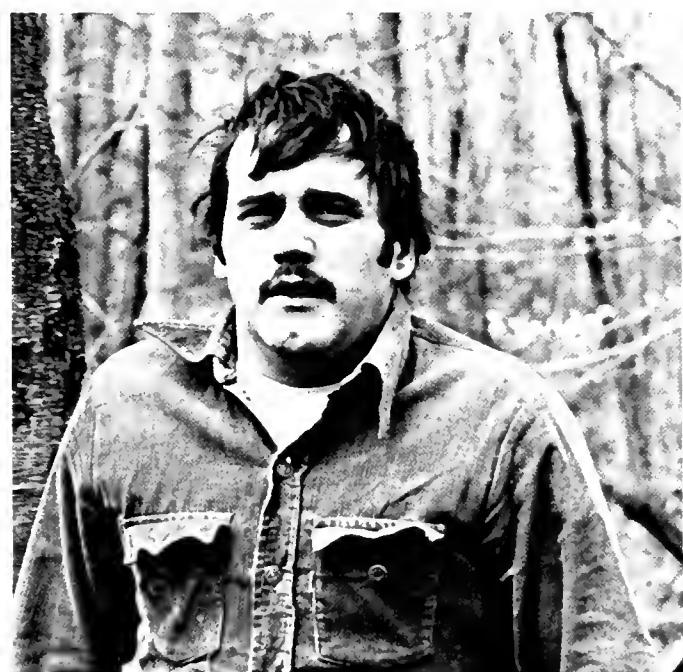

*But there is a friend who sticks closer
than a brother*

Prov. 18:24

Friends are people you can lean on!

Time polishes all real friendships until they shine

Greek

Near the end of each Spring Semester all of the fraternities enter into Greek Week festivities, which includes a three-legged race, chariot race, ladder race, keg toss, tug of war, and relay race.

It's as much fun to watch these Quad events as it is to participate in them. Fraternity unity plus competition combine to produce some memorable times!

...a friend. Tis a good experience: among them all
everything turns to good. Every man has others wish him;
that they may wish him well, he must win their hearts and
so their tongues. There is no magic like a good turn, and the
way to gain friendly feelings is to do friendly acts. The most
and best of us depend on others; we have to live either among
friends or among enemies.

Graduation

Graduation was held at Williamsport Senior High School on one of the wettest days of the year. But the graduates still were full of happiness and sadness despite the weather.

Due to the poor lighting, no pictures developed of the ceremonies.

The yearbook regrets the disservice.

Acknowledgements

The 1975 Arrow Staff regrets the lack of pictures of events that took place during the course of the year. However, we feel that the best was done with the money, resources, and time available.

I'd like to take some time to thank Dr. Bruce Weaver for having the courage to be our advisor. Your innumerable hours at the publications meetings, fighting for us was greatly appreciated.

Dennis, thanks for refiguring out our accounts. We needed a good mathematician/accountant.

Thanks to the photography staff for the imaginative senior pictures. Thanks, also, for spending the whole semester in the dark!

Many thanks to my staff for putting together a year's worth of work in a few (4) short weeks. It may not be the best yearbook, but at least you all were willing to put together something for this class.

*Many Appreciative Thanks,
Diane C. Mikulka

Friendship

Friendship needs no studied phrases
Polished face, or winning wiles;
Friendship deals no lavish praises,
Friendship dons no surface smiles.
Friendship follows Nature's diction,
Shuns the blandishments of Art,
Boldly severs truth from fiction,
Speaks the language of the heart.
Friendship—pure, unselfish friendship,
All through life's allotted span,
Nurtures, strengthens, widens, lengthens,
Man's relationship with man.
